The Fort Harrison Chapter

Organized April 8, 1909

FORT HARRISON, about two miles north of Terre Haute, was erected in 1811 under the direction of General William Henry Harrison, for whom it was named. The fort was attacked by the Indians, under British influence, on the night of September 4, 1812, when Captain Zachary Taylor was in command with a force of less than 50 men, women and children, many of whom were ill.

This successful battle was significant because it was the last stand made by the British in their effort to regain the territory captured by General George Rogers Clark in the war of the Revolution. It is worthy of note that the builder of the fort, General William Henry Harrison, and its defender, General Zachary Taylor, should later have become presidents of the United States.

From this Fort our Chapter takes its name.

Pledge to the Flag

I PLEDGE allegiance to the flag of the United States of America and to the republic for which it stands; one nation indivisible, with liberty and justice for all.

The American's Creed

I BELIEVE in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign nation of many sovereign states; a perfect union, one and inseparable; established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes. I, therefore, believe it is my duty to my country to love it; to support its constitution; to obey its laws; to respect its flag; and to defend it against all enemies.

Objects of the Society

(1) To perpetuate the memory and spirit of the men and women who achieved American Independence, by the acquisition and protection of historical spots, and the erection of monuments; by the encouragement of historical research in relation to the Revolution and the publication of its results; by the preservation of documents and relics, and of the records of the individual services of Revolutionary soldiers and patriots, and by the promotion of celebrations of all patriotic anniversaries.

(2) To carry out the injunction of Washington in his farewell address to the American people, "to promote, as an object of primary importance, institutions for the general diffusion of knowledge," thus developing an enlightened public opinion, and affording to young and old such advantages as shall develop in them the largest capacity for performing the duties of American citizens.

(3) To cherish, maintain, and extend the institutions of American fredom, to foster true patriotism and love of country, and to aid in securing for mankind all the blessings of liberty.

In Memoriam

"I cannot say, and will not say
That she is dead—She is just away!

With a cheery smile, and a wave of the hand
She has wandered into an unknown land,
And left us dreaming how very fair
It needs must be, since she lingers there.

Think of her still as the same, I say:
She is not dead—She is just away!"

OLD FORT HARRISON
ON THE BANKS OF THE WABASH

The Fort Harrison Chapter

Organized April 8, 1909

FORT HARRISON, about two miles north of Terre Haute, was erected in 1811 under the direction of General William Henry Harrison, for whom it was named. The fort was attacked by the Indians, under British influence, on the night of September 4, 1812, when Captain Zachary Taylor was in command with a force of less than 50 men, women and children, many of whom were ill.

This successful battle was significant because it was the last stand made by the British in their effort to regain the territory captured by General George Rogers Clark in the war of the Revolution. It is worthy of note that the builder of the fort, General William Henry Harrison, and its defender, General Zachary Taylor, should later have become presidents of the United States.

From this Fort our Chapter takes its name.

In Memoriam

"I cannot say, and will not say
That she is dead—She is just away.

With a cherry smile, and a wave of the hand
She has wandered into an unknown land,
And left us dreaming how very fair
It needs must be, since she lingers there.

Think of her still as the same, I say:
She is not dead—She is just away."

The Pledge of Allegiance

I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands; One Nation, indivisible, with liberty and justice for all.

The American's Creed

I believe in the United States of America as a Government of the people, by the people, for the people, whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign nation of many soverign states; a perfest union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which the American patriots sacrificed their lives and their fortunes.

I, therefore, deem it my duty to my country to love it, to support its Constitution; to obey its laws; and to respect its Flag, and defend it against all enemies.

On the Banks of the Wabash, Far Away

Round my Indiana homestead wave the cornfields,
In the distance loom the woodlands clear and cool,
Often times my thoughts revert to scenes of childhood,
Where I first received my lessons nature's school.
But one thing there is missing in the picture
Without her face it seems so incomplete.
I long to see my mother in the doorway
As she stood there years ago, her boy to greet!

Refrain

Oh, the moonlight's fair tonight along the Wabash,
From the fields there comes the breath of new mown hay,
Thro' the sycamores the candle lights are gleaming,
On the banks of the Wabash, far away.

THE STAR SPANGLED BANNER

Oh! say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars thro' the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there;
Oh! say does the star spangled banner still wave
O'er the land of the free and the home of the brave?

Oh! thus be it ever when free men shall stand
Between their loved homes and the war's desolation;
Blest with vict'ry and peace, may the heav'n rescued land
Praise the pow'r that hath made and preserved us a nation;
Then, conquer we must, when our cause it is just,
And this be our motto, "In God is our trust."
And the star spangled banner in triumph shall wave
O'er the land of the free and the home of the brave.

AMERICA, THE BEAUTIFUL

O beautiful for spacious skies,
  For amber waves of grain,
For purple mountain majesties
  Above the fruited plain.
  America! America!
God shed His grace on thee
And crown thy good with brotherhood
From sea to shining sea.

O beautiful for pilgrim feet
  Whose stern, impassioned stress
A thoroughfare for freedom beat
  Across the wilderness.
  America! America!
God mend thine every flaw,
  Confirm thy soul in self-control,
Thy liberty in law.

O beautiful for patriot's dream
  That sees beyond the years,
Thine alabaster cities gleam
  Undimmed by human tears.
  America! America!
God shed His grace on thee
And crown thy good with brotherhood
From sea to shining sea.

Resolutions

ADOPTED BY THE

Twenty-Eighth State Conference

Indiana Daughters of The American Revolution

TERRE HAUTE,
1928

RESOLUTIONS OF STATE CONFERENCE
1928

The members of the twenty-eighth annual State Conference, Indiana Daughters of the American Revolution, convened under very favorable auspices. During the preceeding year our membership has been materially increased, and new chapters have ben formd. Advancement has been made in every department of our field or activity.

While much headway has been gained during recent years, we still find new and inviting fields spread before us, and to these new opportunities we gladly consecrate our time, our talent and our labor.

RESOLVED, That this conference go on record as standing firmly for the Constitution of the United States and for American principles of loyalty and patriotism, and as opposing all movements that tend to lower or subvert these high ideals.

RESOLVED, that we unanimously endorse the action of the National Board of Management of the Daughters of the American Revolution in their efforts to maintain harmony within the ranks of our order.

WHEREAS, The Constitution of the United States provides for an army and a navy sufficient to protect our beloved country from enemies from within, as well as from without, our borders; and

WHEREAS. The Society of the Daughters of the American Revolution was founded to uphold the best interests of our government in all of its many departments; and

WHEREAS, We have heartily endorsed the program of the government and its patriotic officers in maintaining the Officers' Reserve Corps; therefore, be it

RESOLVED, that we continue to give our approval to this plan of National Defense during peace with the hope that never again may we be forced into war without necessary training to protect life and property.

WHEREAS, The members of this patriotic organization realize the harm that the propaganda of radicals, atheists, socialists and communists is causing to the young people of our country; and

WHEREAS, Speakers are being sent broadcast over our land, books attractively advertised are being printed, and christian ideals of uplifting morality are being scoffed at and held up to ridicule; and

WHEREAS, We are a peace-loving people and a nation of home-builders; therefore, be it

RESOLVED, That all of our officers and members carefully investigate and report any such treasonable books or persons who are endangering our moral standards, our high ideals, and our constitution and laws.

WHEREAS, We are not a secret organization, yet we feel that much of our business does not concern the public; therefore

RESOLVED, That no outside influence be solicited or accepted in the selection of our officers or in matters controlling the business affiairs of our chapters, and that our officers both state and local, carefully and consistently discourage such outside influence and harmful publicity.

WHEREAS, All national officers and state regents are required to take an oath of allegiance to the constitution and the purposes of the National Society; therefore

RESOLVED, That in accord with this solemn procedure and in order to impress members with the sacred character of official duties, all other state, and all chapter, officers shall be installed in the same way.

WHEREAS, Many insidious attempts are now being made to weaken and destroy the patriotism of our school children; and

WHEREAS, Home-training in loyalty may easily be neutralized or destroyed by treasonable or subversive influences in the school; and

WHEREAS, The teacher holds a vitally important and strategic position in the development of the pupil for future citizenship; and

WHEREAS, There is no reason for an oath of office on the part of any officers that does not apply to the public school teacher; therefore, be it

RESOLVED, That we renew the request made at our 1927 State Conference that the Indiana State Legislature enact a law requiring all public school teachers and college professors who are paid from public funds, to subscribe to an oath of office similar to that required of other public officials.

WHEREAS, We recognize the fact that hundreds of unfortunate Indiana youth are just now taking their first steps in a criminal career, and that the large majority of them could be saved to the state and to lives of usefulness if only a little helpful supervision were given them at the right time; therefore

RESOLVED, That we advocate a probation system in every county of the state, and give of our every effort to advance this work.

WHEREAS, The furnishing of our Indiana room in Memorial Continental Hall is not in harmony with the Colonial spirit of the building; and

WHEREAS, Our State Regent has recommended that the room be furnished as a library; therefore,

RESOLVED, That we conform to this suggestion and take such steps as may be deemed necessary to perfect this plan.

WHEREAS, The Indiana Library and Historical Department is performing a state-wide service of great educational value in collecting, preserving and making available to the public the books, manuscripts, maps and similar valuable, and often rare, material bearing upon local and national history; and

WHEREAS, This department is doing an important work in fostering and supporting public libraries and historical societies throughout the state; and

WHEREAS, This great service to our citizens is seriously handicapped by lack of space for books and workers;

RESOLVED, That we, the members of the Daughters of the American Revolution, as an organization and individually, endorse and support the movement for a state library and historical building for which the legislature of 1929 will be asked to provide.

RESOLVED, That we extend our hearty appreciation and deep gratitude to Fort Harrison Chapter for the charming hospitality and consideration accorded us; that we extend sincere thanks and appreciation, also, to Miss Mary Alice Warren for the beautiful tea at which she was hostess, to the musicians who entertained so delightfully, to the citizens of Terre Haute who co-operated in every way possible, to the Press, and to all others who aided in making this a successful and inspirational conference.

RESOLVED, That we, the Daughters of the American Revolution of Indiana, extend our unanimous thanks to the following distinguished guests who have contributed toward making the twenty-eighth annual conference one long to be remembered.

Mrs. Thomas Hite, Honorary Vice-President General of Ohio.
Mrs. Josiah A. VanOrsdel, National President of the C. A. R.
Mrs. William Sweenie, State Regent of Illinois.
Rev. Louis N. Rocca, Fort Wayne, Indiana.
Rev. George McGinniss, LaGrange, Illinois.
Rev. Walter Scott Elliott, Wheaton, Illinois.

Respectfully submitted,

Signed:
